## B. MSA Defender®+ Headgear and Visors

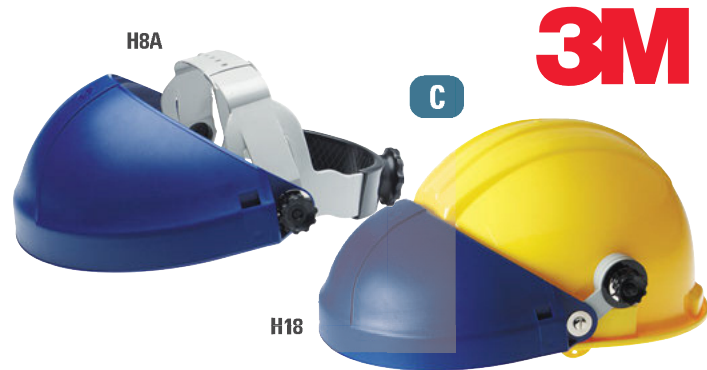

- Defender® Headgear can only be used with visor MSA488132 (as shown); visor not included
- Lightweight and comfortable, fully adjustable from sizes 6½" to 8"
- MSA Defender+ headgear and visor meet the applicable requirements of ANSI/ISEA Z87.1-2010

Part Number	Description	Size
MSA10021611	Defender®+ Headgear, Ratchet Suspension	
MSA488132	Visor, PC, Clear	7.88" x 15.76" x .06"

## C. 3M™ Headgear

- Easy-change feature allows for quick faceshield replacement
- Crown protector is made of thermoplastic resin
- Meets the requirements of ANSI Z87.1-2003
- H8A Headgear** - Headgear has precision ratchet head size adjustment and five position pinlock crown strap. Window suspension helps distribute weight and absorb impact. Can be used in ambient air temperatures up to 300° F.
- H18 Cap Mounted Headgear** - Mounts firmly and quickly to 3M™ and most manufacturer's slotted hard caps. Dual pivot friction adjustment for individual fit. Faceshield sold separately.

Part Number	Description
CAS82501-00000	H8A Deluxe Ratchet Headgear
CAS82502-00000	H18 Cap Mounted Headgear (Hard Hat not Included)

## D. 3M™ Faceshields

- Clear Propionate:** For light impact and splash protection
- Clear Polycarbonate:** For high impact and splash protection
- Heat Reflective Aluminized Polycarbonate:** For use in high heat furnace applications
- Tinted:** Green tint helps reduce light transmission and glare
- Only compatible with 3M™ headgear
- Meets requirements of ANSI Z87.1-2003

Part Number	Description	Color
CAS82702-00000	WP96C 9" x 14½" x .08" Polycarbonate	Dark Green
CAS82700-00000	W96 9" x 14½" x .08" Propionate	Clear
CAS82701-00000	WP96 9" x 14½" x .08" Polycarbonate	Clear
CAS82587-00000	WP96XCAL 9" x 18½" x .04" Aluminized Polycarbonate	Dark Green

## WARNING!

These eye and face protection products provide limited eye and face protection. Misuse or failure to follow warnings and instructions may result in serious potential injury, including blindness or death. For proper use, selection, and applications against flying particles, optical radiation and/or splash see supervisor, read User Instructions and warnings on the package or call 3M OH&ESD Technical Service in the USA at 1-800-243-4630. In Canada, call 1-800-267-4414.

## E. Uvex Bionic® Shield

- Tough for rugged jobs, yet extremely lightweight and balanced for all-day comfort
- Technological advances enable it to stand up more easily to airborne debris, splash and welding IR. Infinite adjustability and an easily replaceable visor make it easy to wear
- Other features include comfortable cell foam on back of headgear and a breathable, removable, washable headband
- Faceshields offer secondary protection and must be worn with safety glasses or goggles
- Meets ANSI Z87+ Standard
